TALK IT OVER

THERE'S A MIRACLE IN THE HOUSE (PART 1) | PASTOR TROY

KEY SCRIPTURES

John 11:1-44 (NIV)

START TALKING

What was the last miracle that you personally prayed for?

How can you tell when something is supernatural, and not just natural?

START THINKING

Read **John 11:1-44**. What part of the story sticks out to you the most? Why?

What would you need to change for your prayers to start being honest prayers?

In what part of your life do you need to start finding hope through God again?

What miracle(s) are you going to be praying for this week?

START PRAYING

Jesus, help us to daily remember that it's not over until you say it's over. When we feel hopeless and helpless, remind us to turn back to you. Help us to remember that you are a supernatural God that wants to work supernatural miracles. Please perform one in my life. In Your powerful Name, Amen.

START DOING

This week, boldly take a step of faith and pray a miracle over someone face-to-face. It could be someone you know, or even a stranger, but God wants you to pray for them.
